Re: Filing Status for C00034785

Dear Ms. Benitz:

This letter serves as notification to a change in the filing status for ACA International's Political Action Committee – C00034785. Effective immediately, this committee will be filing monthly FEC reports for the year 2004.

In addition, please note the committee name is ACA International, as this is incorrect on the FEC website.

Thank you,

Rozanne Anderson
